

John Donne Primary School

Woods Road, Peckham, SE15 2SW

1st November 2018

Dear Parents/Carers,

In Science in Year 6 we have been studying the topic 'Animals Including Humans'. As part of this topic, we have been studying the heart and to improve our understanding of this organ we are planning on dissecting and examining lamb hearts. This will be done in a safe and hygienic manner with children wearing provided gloves at all times.

If you have any questions regarding the activity then please do not hesitate to ask. As well as this, Parents are invited to watch and take part in the activity. If this is something that you would be interested in doing then please come and let me know.

If you would prefer your child not to take part in this activity then please sign the opt-out slip below.

Kind regards,

Mr Kershaw
Green 6 Teacher

My child _____ in Green 6 **will not** be taking part in the 'dissecting lamb hearts' activity on Wednesday the 7th November at 2:00pm.

Signed: _____
