Dear parents and carers,

The children have been hard at work this week on our playground Art project with Hannah. They have been preparing the walls as well as starting to paint the beautiful birds that will be placed on the back wall of the playground. All the children are so excited to be involved which is what makes it so special as they will all be able to say they contributed. It is going to look incredible once it is finished.

Our Year 1 children and some Year 2 children have completed their phonics screening test this week. This test involves them reading 40 words some of which are real words and some are 'alien' words. They have done extremely well and we will be able to share their results with parents on the parent day on 27th June.

Also our Year 4 children have been hard at work with their Multiplication Tables Check this week. The children answer 25 questions using their knowledge of times tables up to 12x12 and have only 6 seconds to answer each question. They have been fantastic and have worked so hard to learn their times tables. We will also be able to share the results with parents on the parent day on 27th June.

Thank you all so much for your donations for our Summer Fair on Thursday 26th June. It really helps us to be able to offer as many different stalls as possible. If you would like to help out in any way, please do get in touch as we would really appreciate it.

We will be having our annual parent day on Friday 27th June where the school will be closed for children in order for parents to come in and meet with the class teacher to discuss their child's learning. You will be receiving a link to make a booking so please make sure you do this. If you have any problems booking a meeting, please contact the school office and they will be happy to help.

I hope you have a wonderful weekend and we'll see you bright and early on Monday morning.

Miss Rooney

YEAR 1

Year One have had a wonderful time creating vibrant murals. The children carefully painted their imaginative designs onto large boards, bringing colour and creativity to our school. Their hard work and artistic talents are shining through – don't they look fantastic!

Art Club

Our Drawing Club is brimming with creativity and is loads of fun! Recently, we've explored the vibrant world of pop art and delved into the stunning techniques of masters like Van Gogh and Monet. Each session, we unleash our imaginations to create our own unique pieces of art. Join us for a fantastic time filled with inspiration and laughter!
