Dear parents and carers,
Thank you for your continued support during this week's hot weather. We have taken steps to ensure children remain safe and comfortable, including keeping the school open for those who need it. We are looking forward to cooler temperatures next week, which will make learning more comfortable for everyone.

Yesterday, our Year 2 to Year 5 children enjoyed a wonderful trip to the beach. It was fantastic to see them having such a great time together. These experiences are so valuable in creating lasting memories and supporting children's wellbeing.

At the end of this academic year, we will be saying farewell to Mr Abdulmajid, who has been a valued member of our school since 2014 and also attended as a child. He has made a significant contribution and will be greatly missed by staff and pupils. He has begun sharing this news with his class, and we will take time over the coming weeks to thank him and wish him every success.

Just a reminder that next Friday 3rd July, the school will be closed to children as it is Parent Day. This is an important opportunity to meet with your child's teacher to discuss their progress over the year. Please ensure you have booked an appointment via the Arbor app. If you are experiencing any issues, the school office will be happy to assist.

I hope you have a wonderful weekend and we will see you bright and early on Monday morning.

Resilience

Values Assembly – What our learners think!

Our assembly this week was focused on the value of resilience which is about bouncing back when things are tricky or challenging. We had an opportunity to consider some different scenarios and whether the learner practised resilience or not and reflected on when we have shown resilience - an example of this is from the fantastic Green 1 class who shared, 'I found a maths challenge hard but I did not give up and used my fingers to help me work it out. I felt really proud after!'

Summer Fair Planning

Thursday 2nd July at 8:45am
Sunshine Room
(Meet Miss McDonald outside community space)

This will be a great opportunity for parents and carers to come together, enjoy a cold drink, and chat with us in a relaxed setting.

We'll be talking all things Summer Fair—sharing plans, gathering ideas, and exploring how we can make this year's event bigger and better than ever!

We'd love for you to come along, get involved, and contribute your ideas. Your support and creativity really help make these events extra special for our children.

We look forward to seeing you there!

Parents and carers wishing to Hire a stall please let the office know. Parent/carers who would like to donate prizes for the raffle please let the office know.

Outside Learning...

With Year 1

Year One have been making the most of the warm weather by enjoying lots of outdoor learning while staying cool. The children have had great fun exploring water play alongside construction activities, working collaboratively to build and experiment. They have also been using Numicon to support their maths learning, helping them to strengthen their understanding of numbers in a practical and engaging way.
